El Paso, Texas - Spring Camp 2017

The JKA Western Region has celebrated for the past seven years the Spring Camp in the El Paso Dojo. This event connects and promotes the interaction between the western region Dojos to become a stronger group every year. As Karate practitioners it is our time to share knowledge and experiences, as well as to create and release energy throughout these training sessions. The intensive training strengthens the relationships and forms a respectful environment where the friendship and the human interactions do not have any boundaries.

Your participation in these events such as the Kangeiko, Spring and Summer camps, are vital for the JKA Western Region. We encourage you to participate on this 7th consecutive year, to maintain the tradition of the “**El Paso Spring Camp**” a JKAWF Western Region event.

As with previous years we are very fortunate to have **Koyama Sensei**, 8th Dan JKA as our guest Instructor. By training with Koyama Sensei you will find sense to the importance of breathing properly, the proper muscular contractions/expansions to achieve the desire speed, power and relaxation of movements, among other things. His high level of Karate-Do knowledge and his philosophy of life makes these camps a unique experience.
